

Dear Residents of Cold Springs Village,

At our recent board meeting the board reviewed the front door colors; as many of the doors in the association need staining. The board has selected 6 color options; we ask that if you paint your door that you use one of these colors. If you have recently painted your door, we will allow the current color to stay but ask that in the future you update with one of the approved options.

All selected colors are samples provided by Sherwin Williams. Below you will also find a list of vendor options that we recommend contacting for estimates.
